## PROMOTED PILOT

### IN MEMORIAM

It is the hope of each one as he reads the words of Kipling's immortal "L'Envoi" to become, eventually, part of that picture. Only three short years ago a Railroader of the Class of '39 took his orders unflinchingly, and traveled a new road. He joined THAT picture.

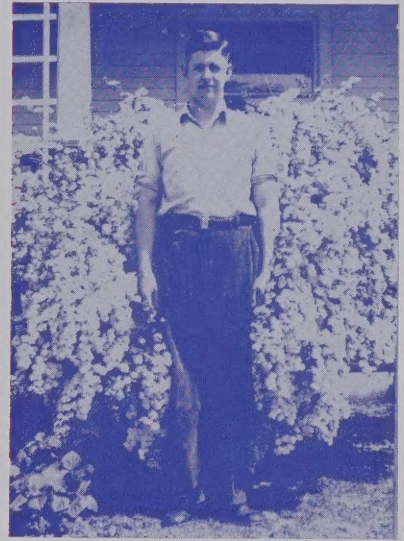

What higher tribute to his memory could we pay than to think of him as one worthy of being promoted to the position of PILOT. To us, through the years, the memory of his good sportsmanship, cheerful friendliness, and beautiful Christian character has been a constant force in bringing us to visualize that:

"When the one great Scorer comes  
To write against your name.  
He writes not that you won or lost,  
But how you played the game."

## Pilot

## L'ENVOI

When Earth's last picture is painted, and the tubes are twisted and dried,  
When the oldest colors have faded, and the youngest critic has died,  
We shall rest, and, faith, we shall need it—lie down for an aeon or two,  
Till the Master of All Good Workmeh shall set us to work anew!

And those that were good shall be happy: they shall sit in a golden chair;  
They shall splash at a ten-league canvas with brushes of comets' hair;  
They shall find real saints to draw from—Magdalene, Peter, and Paul;  
They shall work for an age at a sitting and never be tired at all!

And only the Master shall praise us, and only the Master shall blame;  
And no one shall work for money, and no one shall work for fame;  
But each for the joy of the working, and each, in his separate star,  
Shall draw the Thing as he sees It for the God of Things as They Are!

—Rudyard Kipling.

## SCREECHING WHISTLES

The Senior Class, though neither ghastly nor ghostly, produced "The Ghastly Ghost," a three act mystery comedy by James Reach on May 18 and 19.

The plot of the play centered around Caroline Van West, a spinster, who invited all of her relatives to the Van West mansion to help her make her will. As the story progressed, a costly string of pearls was stolen, which placed suspicion on all the guests. A legend that the house was haunted provided a mysterious atmosphere throughout the entire play.

## RHYTHM OF THE RAILS

There's music in the rhythm of the clicking of the rails. "Music", someone has said, "is the fourth need of man." Food, clothing, shelter—then MUSIC. Life is made richer and better if its influence has been admitted. Addison wrote:

*"It wakes the soul, and lifts it high,  
And wings it with sublime desires,  
And fits it to bespeak the Deity."*

One of the chief aims of Garrett High School is to offer the opportunity for a study of music through our Band, Orchestra, and Glee Clubs.

## DRAMA CLUB

The Drama Club has had many interesting and varied programs this year. Among these were the study of the difference in the ultra-modern and comedy plays; study of make-up for stage and screen; radio dramatization together with enunciation and pronunciation; and last but not least, those ever enjoyable student plays. Each member has either taken a part in a play or par-

ticipated in the programs some way or other. The club ended its joyful year with an "Informal Dinner" held in the dining room of the school.

The club officers were: President, Joseph Brinkerhoff; Vice President, Margaret Stansbury; Secretary-Treasurer, Winifred Davis; and Sponsor, Mrs. Ivan Fitch.

## MAROON AND BLUE

Under the supervision of Miss Evard, the Maroon and Blue brings to a close another year of achievements in the journalistic field. The paper, through the cooperation and labor of the entire staff, headed by Sarah Rensberger, was edited every two weeks.

The platform decided upon by the staff at the beginning of the year and printed in every issue was as follows:

1. Courtesy at all times.
2. Better support of athletic teams.
3. Cooperation to social functions.
4. Quiet at all times in the study hall.

*Front Row:* Marie Ervin, Virgiene Benzal, Lillian Rowe, Betty Hall, Betty Wise, Norma Smith, Marjorie Clark, Doris Hassett.

## HI-Y

Under the guidance of Mr. John Flora, the Hi-Y Club has spent a very interesting and worthwhile year. Among their activities this year, probably the most beneficial was the Lenten Services presented over the public address system.

Another activity of importance was the Christmas Caroling during the Yuletide season.

The club officers were: President, James Alford; Vice President, John Grimm; Secretary, Gene Carper; Treasurer, LeRoy Stoll.

## WE SENIORS SAY—

*Unaccustomed as we are to public speaking,  
There is something we would really like to say,  
We delight in telling you,  
What we always knew was true,  
Since the day we started, to the end of May.*

*We have made so many friends we cannot count them,  
We have learned so many things we did not know,  
We have made some errors, yes,  
But not many we confess,  
And we'll remember G. H. S., where'er we go.*

*Through the years we've had our share of fun and frolic,  
We studied hard and still had time for play,  
Now with the ending year,  
We're closing with a tear,  
And hope you miss us each and every day.*

—Virgiene Benzel.

## YEA! RAILROADERS

Long have men of brain and brawn kept Garrett's "Railroad Tradition" brilliant in the annals of transportation. Equally brilliant have been the achievements of the G. H. S. Railroaders in the annals of athletic conquest.

## MODERN WOODBURNERS

Competition in basketball was tougher this year than it has been for several years; even so, the Railroaders were able to keep pace with, or lead every team they played. The high point of the season was the defeating of Auburn and Kendallville on successive week ends. Previous to this time, Garrett had defeated the powerful Columbia City and Decatur teams. Graduation will affect the '39-'40 team little, for eight of the first twelve will be returning.

*Front Row:* Dale Hart, Bill VanFleit, Joe Geyer (Capt.), Clyde Lewis, Joe Leeson.  
*Second Row:* Coach Cameron Parks, Delmar Smith, Bob VanLear, Bill Creager, John Grimm, Jim Alford.

## BLOCK AND TACKLE

With only a nucleus of the '38 squad around which to build, Parks' Railroaders made a very good showing during the '38 and '39 season. The '39 varsity piled up three wins, three ties and only two losses. Their indomitable spirit enabled them to defeat Portland in the last minute, and kept them battling to the finish against the powerful North Side Redskins. Six members of the first squad will return to fight for the glory of Garrett High next fall.

## V-MEN

JOHN GRIMM—2, 3, 4, (Capt.). "Perry" played fullback and fulfilled this position brilliantly. He was also noted for his ability to "pep up" the team.

ROBERT VANLEAR—2, 3, 4. Halfback—"Van" was taken from last year's line and put in the backfield. He was considered the "sparkplug" of the team.

RICHARD LIKENS—4. Quarterback—"Dick" was a new man in football, but turned out successful as being the "brains" of the team.

JOSEPH GEYER—3, 4. Halfback—The final judgment on "Joe" was "a fast and hard-driving back."

RALPH TUTTLE—3, 4. "Tut" was a tackle—a tough man on any football field.

ROBERT CRAMER—3, 4. "Dag" was an end. He was noted for his ability to get down under punts.

DELMAR SMITH—2, 3. "Boots" played center, and besides playing his position well, he was the "clown" of the team.

JAMES ALFORD—2, 3. "Jim" played guard. His motto was "block three men at a time."

MONROE WHITTECAR—3. Although it was Moe's first year he was a varsity guard. Great things are expected of him next year.

GORDON DILLS—2. Dills, being only a Sophomore, will be a very valuable man for the coming two years.

JOSEPH LEESON—3. "Joe" played end, and could always get "open" for a long pass.

## SIDETRACKS

Audrey: "The preacher's subject at church tonight is, "Love one another."  
Dick: "Say, suppose we stay at home tonight and practice what he preaches."

Beverly Barnes: "John, I'm afraid to go in that dark room."  
John Grimm: "But, Beb, I'm with you."  
Beverly: "That's what I'm afraid of."

Ralph Tuttle: "Say, Mother, how much am I worth?"  
Mrs. Tuttle: "Oh, about a million dollars to me."  
Ralph: "Well, then how about advancing me a quarter?"

Mr. Shanaberger: "Name a liquid that won't freeze."  
Harold Seidel: "Hot water."

Harriett: "Gee, this floor certainly is slippery."  
Bob VanLear: "That's not the floor. I just had my shoes shined."

## MAINTENANCE OF WAY

Unless attention is called to the matter, few people ever give a thought to the importance of the upkeep of the right-of-way. One cannot imagine a smooth-running train with no one to build the bridges, repair the roadbed, replace broken rails, or sweep out the switches.

It is likewise difficult to imagine a smooth-running school without someone to provide proper heat regulation, clean the rooms, wash the windows, clean the walks, and a hundred and one other seemingly small but very important details of comfort. The "H" may well represent the high quality of the service rendered by the janitorial staff.

*Upper Left:* "Willing Wilson" demolishes obnoxious weeds on the right-of-way.

*Upper Right:* "Bustling Bob" makes the windows sparkle "like new".

*Lower Left:* "Smiling Jim" runs his man-powered hand car many miles a month gathering students' discarded efforts at thought.

*Lower Right:* "Care-free Coony", everybody's friend, receives a beautiful electric clock from the faculty and administration upon his retirement from active service. It takes a good clock to be as punctual as Mr. Schomberg.

Let's make the "S" together;  
 It will be a lot of fun.  
 We'll give you a good beginning,  
 Then you complete the pun.

Three big smiles  
 On three Garrett lads,  
 They're proud to be called  
 Just plain "Post \_\_\_\_\_."

What spoils soup if it isn't in it?  
 You can think if you try a minute.  
 It's rather hot, but rhymes with Willy;  
 We knew you'd guess it. Sure it's \_\_\_\_\_.

He who tries hard always wins.  
 Why don't you try  
 To name these \_\_\_\_\_.

Can you think of a word  
 To rhyme with wiggling?  
 They're always at it;  
 It must be \_\_\_\_\_.

It isn't study;  
 It isn't play  
 \_\_\_\_\_ and \_\_\_\_\_  
 Comes out today.

They're going away,  
 But it's all in fun;  
 They'll soon be back;  
 It's the \_\_\_\_\_ country run.

Charley McCarthy is only a dummy.  
 Joe says it himself,  
 "Chili went to my \_\_\_\_\_."

They've been bit by a bug,  
 Both Thais and "Doug";  
 They've been given a shove,  
 So this must be "\_\_\_\_\_".

He's good looking and quiet,  
 And seldom is seen  
 Unless he is busy;  
 We're all for you, \_\_\_\_\_.

We must come to an end,  
 And believe it or not,  
 We had other good poses,  
 But they were too hot.

## CLASS PROPHECY

Only once in a generation do the stars form the sign of the polecat. At this time Mammy Yokum is able to conjure a vision of the future. Strolling along one evening we met her just as the stars were forming the sign. Lucky! I guess we were because she consented to conjure up a vision of the 1949 reunion of that dear old class of 1939. Into our mind enters her very thoughts so we'll tell them to you—Bright lights! A wonderful city comes into view—Garrett!! We are carried to the Ritz Hotel in a taxi owned by Dean McBride and Company. William Kock welcomes us—although this is a little out of the way for the hotel manager to do, still he wants to see his old friends. Dorothy Wagner and her Accordion Band have come from the Rainbow Room in New York City, where they are playing nightly. That wizard of the drums, Freda Chester and Betty Wise, that glamorous torch singer, are featured with Dorothy's band. Joan Hyler and her troupe of French ballet dancers, in their tour of the world, have stopped for an evening's engagement. Can that be Miss Betty Abram who has just crashed the movies—yes, it is! And there's Richard Likens, noted aviator, who has just circled the globe in record time. Incidentally, Audrey Feagler was his lovely stewardess. Nearly everyone has arrived while we've been talking so we'll try to glance over the crowd and tell you about all of them.

We notice as Lillian Rowe, society editor of the New York Times, turns the pages of her scrap-book that we can find Winifred Davis, the song bird of the South, at NBC along with Harold Seidel and Edward Schneider who are Radio City's great technicians. Skipping out to Madison Square Garden we find Frank Eldridge's circus. Joseph Geyer has just joined the circus as the lion tamer. He has recently arrived from the jungles of South Africa with many prizes. Corinne Traxler is a great artist! She has just received a prize for one of her famous paintings. On Fifth Avenue Betty Stonestreet, Norma Smith, and Doris Hassett are the proprietors of their famous beauty salon. Joan Kelham has just made her debut in Carnegie Hall as concert pianist. Maxine Bowman and Marguerette Anderson are on their vacation from the Jack Dempsey restaurant where they are waitresses.

The next celebrity to enter the hotel is LeRoy Stoll who informs us that Earl Schulthess is captain on the S. S. Roosevelt, and Virgiene Benzel has received recognition by English critics for her great works of poetry. "My wife buys all her gowns at the Foley Gown Shoppe in Paris where Rose Marie Dreher and Mary Jean Grant are her favorite mannequins," states Mr. Stoll. Mary Erickson is designing for the shoppe. Dale Haffner has extended the Haffner stores to South America.

From Hollywood comes Raymond Saxer, with his "Gift of Gab" and it comes in handy now for he has just announced that William Stonestreet and Harvey Hochstetler are producing a new version of "Blondie and Dagwood" in which Jane Schulthess and Robert Cramer have the leads.

The editor of the Chicago Tribune, Sarah Rensberger, has just approached the "mike" and tells us of the great success of Beverly Barnes and John Grimm in Chicago. Beverly, professor of Chemistry in Chicago University, is breaking test tubes to stimulate business for John's glass factory. For tempting food in Chicago visit "Irene's Bakery Shop" owned and operated by Irene Muzzillo. Nurses in the St. Luke's Hospital are supervised by Harriett Bohler. The University of Chicago's librarians are Barbara Freeze and Prudence Freygang. Ruth Kern, a well-known society woman has her yacht on the Caribbean while the Rentoo Airport provides headquarters for the world's great aviator, Joseph Brinkerhoff.

The "mike" is now turned over to Alexander Yanuszski, radio announcer for WOWO, Fort Wayne, who tells us that Edna Kleeman and Berneice Koepke own and operate the skating rink at Trier's Park. He also states that the manager of the Paris store is Betty Hall, while Ottilee Hall is the head buyer in the ready-made department. Head of the weather bureau of Fort Wayne and vicinity is the shark Ralph Woodcock.

Next we see, striding forward, Ronald Freeze, noted president of the Garrett University. He tells us about many of our number who have made a name for themselves in the "Old Home Town". The great economist, Wendell Poffenberger, is professor of Economics in the university. Virginia Reneman is dean of girls in the Y. W. C. A. On the corner of Randolph and King is the famous Dari-Bar owned by Ruth Lewis. Remember the good old days! The recent Garrett High School's state basketball champs were coached by Clyde Lewis. The million dollar new Royal Theater, owned by Kenneth Kruger is featuring the world's favorite comedian, Eugene Starner. Robert VanLear handles funds of the Garrett Metropolis at the Garrett State Bank, receiving a salary of \$30,000 a year. North of the city are Indiana's two largest dairy farms owned by John Haynes and Ralph Tuttle who are still trying to out-do each other.

Then from our midst steps Mary Helen Hyde, reporter for a Detroit paper who announces that Betty Smurr and Lois Lane are head specialists in the Detroit City Hospital, and Louise Woodard is the hospital's leading nurse. In the First National Bank in downtown Detroit is none other than well-known Betty Neighborgall holding the position as linguist. Phyllis Stuckman is the beautiful wife of a Detroit High School coach, who is a graduate of North Manchester. George Talley's swing band has just made a tour of the United States. James Herzer can be seen stepping very proudly around the Ford Automobile Plant because he is general manager.

Our last city of recognition is Washington, D. C. Here in an exclusive apartment we find Margaret Stansbury who is Secretary of State, and Juanita Brinkman, printing dollar bills in the United States Mint. Looking over the society list, I found that Jeanne Brennan is the city's leading society woman.

We are prone to stop for the sign of the polecat fades and as it does, so goes the vision of Mammy Yokum. Looking up we hear the president of the class say, "May the meeting of the Senior class of 1939 come to order?"

## SONG OF THE CLASS OF '39

(Tune—Alexander's Ragtime Band)

Come on and hear, come on and hear  
Garrett High School's latest band;  
Come on and cheer, come on and cheer  
For the best class in the land;  
We can play and we can work;  
We are timid but we'll go  
Out in the world to meet either friend or foe;  
That's just the lesson we have learned.

Garrett High, Thirty-nine, Thirty-nine,  
Your diploma you have earned;  
Maroon and white, Oh let us fight  
"To be rather than to seem",  
And if you care to hear the Seniors shouting their last farewell,  
Come on and cheer, come on and cheer,  
Graduation time is here.

—Dorothy Wagner.
